# LODO KIDNEY AND BLADDER TABLETS

For the treatment and relief of such conditions as: Swelling of the Feet and Ankles, swelling under the Eyes, Back-ache that is due to inactive Kidneys.

The Kidneys being the natural filters of the body, these tablets stimulate their action, and thereby assist nature, in throwing off poisonous substances, from the system.

Inactive kidneys cause bladder ailments which are indicated by Scalding Urine, Frequent desire to urinate, as well as scanty urination, high colored Urine, Gravel, Brickdust deposits in the Urine, etc.

Uric Acid poisoning usually may be detected by any one or more of the following symptoms: Headache, Dizziness, Drowsiness, Rheumatic Joints, Acid, Pain in Groins, Neuralgia, Brownish Red Urine, Dropsy, Bloating and Irregular Heart.

Care should be exercised as to diet, eat little meat, starchy foods or sweets and drink little tea or coffee. A simple light nourishing diet and plenty of pure water, along with healthful outdoor exercise, frequent baths, and plenty of rest and sleep, will aid greatly the action of Lodo Kidney and Bladder Tablets to restore your former health.

The bowels should be kept regular, if you are to derive the greatest benefit from Lodo Kidney and Bladder Tablets, and we offer for this purpose, Lodo Stomach and Liver Tablets, which have a mild, yet effective action, (avoid strong purgatives which have an irritating effect on the kidneys as well as the bowels).

Nature has provided three ways of freeing the body of objectionable matter, namely Kidney, Bowels and Skin, keep these in an active and healthy condition, and you are very likely to appreciate the joys of living. Do not expect one box of Lodo Kidney and Bladder Tablets to accomplish the impossible, as two or even three months' treatment is required to obtain the most satisfactory results.

**DIRECTIONS**—Take one Tablet four times daily, after each meal and upon retiring, follow each dose with a glassful of water.

Price One Dollar per Box or Six for Five Dollars.

## LODO STOMACH AND LIVER TABLETS

These tablets are used with signal success in the treatment of Constipation, Torpidity of the Liver, Gastric and Intestinal Indigestion, Headache, and painful affections such as Neuritis, caused by the absorption of poisons from the intestinal tract. Such conditions are very favorably influenced by the use of these tablets because by their satisfactory action on the liver, increasing the flow of bile and being devoid of the usual depressing effect, that laxatives produce in many people.

By their very favorable action in stimulating the Liver, which largely controls the digestive functions, indigestion a most common ailment is relieved.

By keeping the Stomach and Digestive tract in a healthy and active condition, food is digested properly, thereby assuring the system of the nutrient substance contained therein, which is essential to vigorous health, refreshing sleep and mental contentment.

Liver and Digestive troubles cause jaded nerves, restlessness, sleepiness, and many other allied ailments.

For the best results with Lodo Stomach and Liver Tablets, take one tablet night and morning, or if the bowels are difficult to move, two at night and two in the morning. Some persons will find that one tablet only at night will be sufficient.

Price fifty cents per box, six boxes for two dollars and fifty cents. Sold by
